Dear Waldron Fitness Center member,

On behalf of the Eastmont Community Foundation Board, I want to say thank you for your continued support of our efforts and programs. We are all aware that 2020 and 2021 have been unprecedented years. The foundation has seen several unique situations as well. As 2021 draws to a close, we are pleased to have you as a member of Waldron Fitness Center.

Since taking ownership of Waldron Fitness Center in 2014, our primary goal has been to provide fitness and wellness opportunities that meet the needs of our community. We have increased staff, added classes and continue to add equipment to meet the need. We last raised rates in 2019 and find it fiscally necessary to increase our monthly membership fees by \$1/month effective Jan. 1, 2022.

2022 Rates

Individual \$40/month

Household \$58/month

Student \$26/month

Household membership includes Child Watch during Child Watch hours. We have discounts for active military, first responders, health care workers and teachers/administrators/support staff. We do have some limited scholarship opportunities available for those in a financial hardship so all of our members can have the benefit of our facilities.

Membership fees help support Waldron Fitness Center, but as a small facility, the fees do not cover all the operating costs. We receive no operational funds from federal, state or local governments. Eastmont Community Foundation subsidizes Waldron Fitness Center each year with funds raised through local donations. The Foundation is dedicated to the continuing operation of the Waldron Fitness Center.

If you have any questions, please do not hesitate to contact myself, Kate Stewart (Waldron Fitness Center manager) or Ellen Ryan (ECF treasurer). Thank you for your continued support of Waldron Fitness Center. Have a healthy and safe holiday season. Remember to check Waldron Fitness out on Facebook, Instagram and our foundation website www.eastmontcf.com We look forward to 2022 and hope to see you soon.

Sincerely,

Lauren Tate
